

Year 10 Subject Costing Sheet 2020

Name: _____

This form is to be used as a guide to costings and if paying by cash to Finance office

In 2020, all Year 10 students will be enrolled in a common core of subjects - Mathematics, English, Science, Humanities & Social Science and Health & Physical Education. In order to complete their subject selections students are to select an elective class by ranking them in SSO – Subject Selections Online

Students can only select a maximum of two subjects from each learning area. Students who **choose high cost options and do not pay fees may be moved into alternative low cost options.**

Italian will no longer be offered at Thornlie SHS but will retain Japanese which has a strong pathway into Year 11 and 12 as well as supporting our relationship with our sister schools in Japan.

Students who were enrolled in Instrumental Music, Specialised Rugby and/or Netball Program, will have the option to remain in these or to select other subjects.
