

Year 8 Subject Selection Sheet 2020

NAME: _____

This form is to be used as a guide to costings and if paying by cash to Finance office

In 2020, all Year 8 students will be enrolled in a common core of subjects - Mathematics, English, Science, Humanities & Social Science, Health & Physical Education, Technologies and The Arts. In order to complete their subject selections students will be asked to choose a Design & Technology context. Students who have been enrolled in Specialised Courses - Music, Netball and Rugby – will have the option of selecting this subject or a different one should they no longer wish to continue. The curriculum is designed to give students an opportunity to experience several different subjects but also allows for a level of personalisation.

Italian will no longer be offered at Thornlie SHS but will retain Japanese which has a strong pathway into Year 11 and 12 as well as supporting our relationship with our sister schools in Japan.

Students will do a semester each of both Performing and Visual Arts. Instrumental Music is an Arts subject and therefore a student can only do Music **or** Performing/ Visual Arts. Similarly, for Rugby or Netball, these subjects will take the place of a General Physical Education class for those successful applicants.

Compulsory Subjects			
Subject	Cost	Subject	Cost
Mathematics (8MA)	\$25.00	Science (8SC)	\$25.00
