

Art and D&T News

On behalf of Art and D&T teachers, I would like to thank everyone who support the Annual Art, Design and Technology exhibition. We (our exhibition team members) understand that without your strong support, especially the Thornlie Senior High School P&C, we would not be able to make this exhibition for our students. Thank you. We are absolute happy with the outcome.

Congratulations to all students who have worked displayed in the 2018 Annual Art, Design and Technology Exhibition. We received many excellent comments from staff and community members about your fantastic works. – Well done!

Congratulations to the art students who produced their outstanding artworks which have been selected for the school art collection, (please see their names and details in the table below).

Congratulations to **Bernadette Lagahit** who received the unique Acquisition Art Award for 2018. Her work entitled *Dodgeroo Noonucal*, catalogue number 22.

Cat.No	Title	Student's name	Price
