

Dear Year 7 Parents/Carers

Thornlie SHS offers Year 7 students the opportunity to study Languages in either Japanese or Literacy Enrichment (Auslan).

Students are allocated to the most appropriate Language Course based on their primary school results and their current literacy level.

In consultation with your child's primary school the class allocation for Languages will be finalised by the commencement of the 2022 school year.

Please purchase the required text/equipment for either Japanese or Literacy Enrichment (Auslan) **after** your child's course has been confirmed.

You will be notified of your child's Year 7 Language course via email.

Yours sincerely

Donna McDonald
Principal
